C. Strategy and Planning Department

24.	NOTES	
24.1	Information for all Strategy and Planning Department Charges	
24.1.1	All fees quoted are GST inclusive.	
24.1.2	a) Other Authority and Agencies' Charges are the fees as set by the relevant authority or agency.	
	b) Where consultants or other experts are used to carry out Strategy and Planning duties, the actual and reasonable cost incurred will be charged to an applicant.	
	c) An additional administrative charge of ten percent of the fee will also be charged.	
24.1.3	Staff will, upon request, endeavour to provide an estimate of costs associated with a particular request/application.	
24.2	Planning	
24.2.1	Resource Consent Fees:	
	 a) The amount stated is a fixed charge deposit, payable at the time of lodging an application or when making any other request for Council to perform any other function under the Resource Management Act 1991. The above deposits are charges fixed under Section 36(1) Resource Management Act and are payable in full at the time of lodging the application b) The actual and reasonable costs incurred by the Council will be charged for all applications. Therefore, a charge 	
	additional to the fixed charge deposit paid, may be made once the application has been determined. Actual and reasonable costs will also be charged for applications that are withdrawn	
	c) Actual and reasonable costs will include costs incurred by Council in respect of staff salaries and wages (including travel time, and on-costed to cover overheads), internal analytical costs, record keeping/storage (e.g. photocopying), external analytical costs or consultant costs, vehicle usage costs and any other direct costs or disbursements (including postage, advertising costs, etc), plus GST. The charge out rate for Council Officers is between \$80.00 and \$180.00/hour	
	d) Additional charges will be made for sums in excess of \$20.50 (inclusive of GST) of the Council's costs. In all cases, an itemised statement of the Council's costs will be provided	
	e) Council may, in any particular case, remit the whole or any part of any charge of a kind referred to in this section which would otherwise be payable, for any of the following reasons:	
	 i) The charge does not accurately reflect the benefit to the community from the activity or service, as distinct from the benefit to the applicant 	
	ii) The charge does not accurately take into account the "cost of democracy" associated with the application or the service	
	iii) The charge does not accurately reflect the actual and reasonable costs incurred in respect of the activity to which the charge relates	
	iv) The charge for monitoring a resource consent does not accurately reflect the anticipated number of inspections required over the life of the consent to ensure compliance with conditions of the consent, or the likely effects of that activity on the environment	
24.2.2	Monitoring Fee:	
	A charge based on the estimated number of inspections for a development or an annual charge will be payable to Council for the monitoring and supervision of resource consents and monitoring the state of the environment. The fee will reflect the estimated actual cost for the Monitoring Officer and/or other specialist Council Officers or their representative to inspect the site for compliance with consent conditions. Where the estimated charge does not accurately reflect the actual and reasonable costs incurred in the monitoring of the resource consent to which the charge relates, that additional charge will be recovered from the consent holder.	
24.3	Building fees	
24.3.1	The application fee is a non-refundable deposit payable at the time an application is lodged. Additional charges are calculated on time spent. The charge-out rate for Council officers is between \$80.00 and \$180.00/hour. All other actual and reasonable costs incurred in the processing of building consents will be recovered, including for example, specialists' advice and insurance premiums.	
24.3.2	The Restricted Project Information Memorandum fee applies to all projects that are either not greater than \$10,000 in value, or alternatively, not greater than 30 m² in area. Other projects that may qualify for a Restricted Project Information Memorandum are fences, retaining walls, swimming pools and most accessory buildings (garages, hay-barns, etc)	
	The Small Project Information Memorandum fee applies to projects such as small internal alterations, heaters,	
24.3.3	plumbing and drainage work. A bond is payable prior to a building consent being issued for the removal of a dwelling or other building from a property. It will be refunded upon application when Council is satisfied that all conditions of the building consent have been met.	

24.4	Annual licence and registration fees	
24.4.1	be charged at actual cost. The charge-out rate for Council officers is between \$80.00 to \$180.00/hour.	
24.4.2	Simple Food Premises – Simple foods consist of pre-packaged food that is of low risk to public health, e.g., biscui confectionery, and frozen confections. Pre-packaged food that requires heating (e.g. readily perishable food) is classified as 'low risk food'	
24.4.3	Food Premises – ancillary use. This category has been developed to cater specifically to registered premises tha are used for the preparation of food for sale by more than one party. The intention is for the primary occupier to pay the registered premises fee and the secondary occupier to pay an ancillary fee. Secondary occupiers typical include those that prepare food for sale at markets on a regular basis.	
24.4.4	Camping Grounds – temporary use. This category of license has been developed for organisation obtained resource consent or similar permission for camping of several nights' duration at any of property other than established camping grounds. Temporary use camp ground licenses shall be organisers of meetings or similar gatherings and be on a per night stayed basis. Licence approve conditional upon the use of fully self-contained motor homes or similar vehicles by campers. For motor homes or similar will have sufficient water and waste capacity and other essentials necessadequate and safe convenience of its passengers without posing health risk or giving rise to heap potential for same	one time on De obtained by the Dail shall be Ully self contained Sary for the
24.4.5	Mobile Trading – The Whakatane District Council Bylaw 2007 Part 4 Mobile Trading definition of mobile trading includes sale of goods, wares or merchandise by hawkers or peddlers on foot, which was previously subject to a separate licence and fee. Categorising the mobile trading licenses into the two types enable the fees to continue to be proportional to the scale of the different activities within the widened definition. The sale of goods, wares or merchandise from a cart, vehicle, caravan, or similar whether or not self-propelled continues to have the higher license fee reflecting the higher scale of this activity. While the licence for the hawkers activity will continue with the lower fee

34.5	Remission of charges		
34.5.1	The liability to pay any charge may be modified or waived at the discretion of the Chief Executive. Such decisions shall be made on a case by case basis taking into consideration the following:		
	a) whether payment might cause the applicant hardship		
	b) whether remission or reduction of the charge would facilitate good relations with the public or assist the Counci in its work		
	c) whether remission or reduction of the charge would be in the public interest because it is likely to contribute significantly to public understanding of, or effective participation in, the operations or activities of the Council, and the disclosure of the information is not primarily in the commercial interest of the requester. In order to determine the level of public interest the following questions could be asked:		
	(i) Is the use of the information by the requester likely to make a		
	significant contribution to the operations and activities of the Council? (ii) Has the Council requested submissions from the public on a		
	particular subject and is the information necessary to enable informed		
	comment?		
	(iii) Is the use of information likely to contribute significantly to the understanding of the subject by the public at large as opposed to the individual understanding of the requester or a narrow segment of interested people?		
	(iv) Is the information already in the public domain in either the same or similar form which the requester could acquire without substantial cost?		
	(v) Is the public at large the primary beneficiary of the expenditure of public funds necessary to release the information or is it for the requester or a narrow segment of interested persons?		
	(vi) Is the information primarily in the commercial interest of the requester rather than the public interest?		
34.6	Deposit		
34.6.1	A \$50.00 deposit may be required where the charge is likely to exceed \$100.00 or where some assurance of payment is required to avoid waste of resources. A deposit may only be requested after a decision has been made to make the information available.		
34.6.2	The applicant shall be notified of the amount of deposit required, the method of calculating the charge and the likely final amount to be paid. Work on the request may be suspended pending receipt of the deposit.		
34.6.3	The unused portion of any deposit will be refunded to the applicant together with a statement detailing how the balance was expended.		
34.7	Ombudsman Investigations		
34.7.1	Applicants will be advised at the time they are informed of charges to be paid, that in terms of section 28(1)(b) of the Official Information Act 1982, the Ombudsman may investigate and review any decision on the charge to be paid in respect of a request for access to official information.		
34.7.2	A record will be kept of all costs incurred. Whenever a liability to pay is incurred the applicant will be notified of the method of calculating the charge and this fact noted on the record.		
34.7.3	Any Ombudsman discharging statutory functions of investigation under the Ombudsmen Act 1975 in terms of the Local Government Official Information and Meetings Act 1987 is not subject to any charging regime.		
34.8	Cost control		
34.8.1	In order to reduce the amount of staff time and resources incurred in dealing with requests the Council may ask for requests for official information to be in writing in order to narrow down the scope of the request and avoid confusion as to what is being requested.		
34.8.2	confusion as to what is being requested. The Council may refer the request to another organisation if the request relates more closely to the functions of another Council or government department.
