

Te Pūaha – Waterways and Marine Environment General Fund

The purpose of this fund is to support projects, activities and programmes that make the most of the waterways and marine environment in the Whakatāne District. Things like educational projects, safety programmes, and water sports, are all eligible.

This fund also supports environmental initiatives that are directly linked to the Whakatāne District's waterways and marine environment.

The Te Pūaha General Fund is designed for organisations. If you would like to apply for funding as an individual, check out our Te Pūaha Scholarship Fund.

Guidelines:

- Applications must have a direct link to the Whakatāne District's waterways and marine environment.
- This fund cannot be used to finance ongoing operational costs for organisations. The purchase of equipment is considered eligible for funding
- We recommend the amount of funding you apply for is up to \$5,000. Applications for amounts higher than that may be considered on a case-by-case basis.

How to make an application:

Applications can be completed online through our partner, SmartyGrants. If you need help with your application, or you are unable to complete an application online, please contact the Community Funding Advisor at grants@whakatane.govt.nz or 07 306 0500 for help.

To complete your application form, you will need evidence of the costs of your project, e.g. quotes or invoices for your expenses. If you are applying for an organisation, you will also need an annual report or financial statement.

What we do fund:

Whakatāne District Council funds projects, programmes, and activities that benefit the Whakatāne District, its residents, and its communities. Applicants must be active in the Whakatāne District to be eligible.

In addition, we prefer to fund applicants that:

- Have a clear plan in their application, identify exactly how funding will be used, and provide a budget for the project/activity
- Demonstrate that there is a community need and/or community support for the project/activity
- Support vulnerable and marginalized people and groups in our community.

What we don't fund:

- Salaries for the staff of non-profit organisations

- Projects and activities that do not directly benefit the Whakatāne District's residents and communities
- Applications more suited to funding by other funding organisations
- Funding for projects that have already taken place.

Whakatāne District Council does not usually fund commercial or private organisations, activities that promote religious or political purposes, and programmes that duplicate existing initiatives. However, exceptions will be considered on a case-by-case basis.

Council does not fund legal or medical expenses, debt repayment, statutory functions and public services (e.g. education and health care), purchase or promotion of alcohol and tobacco, and physical works (e.g. improvements to community buildings) that do not have permits prior to application.

How are decisions made:

Applications are assessed based on how they would benefit the Whakatāne District's residents and communities. This includes factors like how many people your project/activity would reach, and how it would improve the lives of those people.

Applications are also assessed based on how well they meet the guidelines and criteria, and how much information is provided in the application.

Application review and assessment:

We'll carry out an initial check of your application to make sure you're eligible. If there is any more information we need, we'll be in contact.

The Community Funding Committee then will meet to discuss applications and allocate funding to applicants. After this meeting, you will be notified of the outcome of your application via email.

The Committee may require some conditions to be met for funding they allocate to be released. For example, providing information or clarification, paying outstanding bills, or filing outstanding reports. If this happens, you will be notified when you are told your application has been successful.

The total amount of funding requested often exceeds the amount of funding we have to distribute. Successful applicants may receive less funding than they request.

Advice and support:

If you have any questions, or you need advice and support, contact the Community Funding Advisor at grants@whakatane.govt.nz
