Wandering stock? Let us know

Our Animal Control team responds immediately to reports of roaming stock on district roads. If you spot wandering animals, call our customer services team on 07 306 0500 – available 24/7.

Most animal owners in our district are responsible, but when issues arise, we're here to help keep our roads and communities safe.

Warmer days, smoother ways

We're gearing up to make your local roads safer and more enjoyable with our summer season roading upgrades.

To help keep local road users in the loop, we've put together an overview plan of the upcoming significant summer roading projects, find out more.

Fire hydrant flushing underway

Whakatāne District Council, alongside local fire brigades, will be carrying out essential fire hydrant flushing across the district from August to December.

This routine mahi helps maintain the district's fire hydrants, with minor temporary effects like discoloured water or reduced water pressure possible.

Find out more on our website whakatane.govt.nz

It's not a rubbish bin.

Greenwaste bins are
for garden waste only.

Not sure what
goes where?
Scan the code to find
our greenwaste guide.
