		Mobile	

SECTION B—LOCATION

- Provide a site plan/location plan clearly showing the proposed location of connection to the public line.
- Provide measurement on the plan indicating how far you want the connection placed from the L/H or R/H boundary of the property.
- **Applications will not be accepted without a site plan and measurement.** If a site plan is not available, an aerial print can be requested from the Council's Customer Services team. Provide measurements on the aerial print as above.

 Form completed and signed

 Site plan attached

*Application will **not** be processed until all requested information and a signature is provided.*
