Lost and found

Can anyone help reunite this album of photographs with its owner? If so, please ring Chris King-Hazel in the Recovery – Community Team 027 440 0219. The album was found in Titoki Place and the majority of images seem to date from the 1950s.

Reminder - Change in skip bin service

Skip bin services in Edgecumbe are being revised because good progress with waste removal has seen a drop in demand. The skip bin 'hotline' will cease this Friday and bins in use will be collected by 12 July.

From Friday, anyone who still needs to dispose of flood-affected household contents, or strip-out floor and wall linings, can contact Whakatāne District Council Customer Services on 07 306 0500.

Waste removal services will still be supplied to support the work of the Liveable Homes Project and Task Force Green. Waste services relating to the rebuild process remain the responsibility of contractors.

To dispose of greenwaste from garden tidy-ups – please use your kerbside greenwaste bin, or take material to the Whakatāne Transfer Station, Te Tahi St, Whakatāne.

Helping hand for homecoming

Bunnings staff from around the Bay found themselves helping a very happy Titoki Place resident move back into his repaired home.

After close to seven weeks away from home, James Low says he is extremely pleased to be back in familiar surroundings.
