IN THE MATTER of the Sale and Supply of Alcohol Act 2012

AND

IN THE MATTER of an application by AARON MILNE for a Managers Certificate pursuant to s.217 of the Act.

BEFORE THE «COUNCIL» DISTRICT LICENSING COMMITTEE

This matter was not opposed by any of the reporting agencies and was therefore considered on the papers by Commissioner Russell ORR sitting alone pursuant to section 191(2) of the Sale and Supply of Alcohol Act 2012

BACKGROUND

This is an application by AARON MILNE for a new Managers Certificate. The applicant has previously held a manager’s certificate, which expired before the application to renew was received, therefore this must be treated as a new application.

The applicant is working as an owner/operator at Whakamax Movies.

The following reports were received:

1. Licensing Inspector report
2. Police report
3. Original application including evidence of approved training.

The New Zealand Police and the Licensing Inspector have raised no matters in opposition to the application. The reports and evidence provided in the application are considered sufficient to inform a decision in this matter, accordingly the matter is dealt with on the papers.

DECISION

I am satisfied as to the matters to which I must have regard as set out in s.222 of the Act and I approve issue of a Managers Certificate to this applicant for a 12 month period.

CONDITIONS: None

ADVICE to APPLICANTS: it is the certificate holder’s responsibility to note the expiry date for this certificate and to ensure that any renewal application is lodged prior to the expiry date.
DATED at Whakatāne this 06 day of October 2016
