LOCAL GOVERNMENT OFFICIAL INFORMATION AND MEETINGS ACT 1987: REQUEST FOR INFORMATION

Thank you for your email requesting information under the Local Government Official Information and Meetings Act 1987 (LGOIMA). A decision has now been made on your request pursuant to section 13 of the LGOIMA, and to provide the information requested.

In your request, you asked for information about what servicing of our fleet and plant is carried out inhouse.

We have a variety of vehicles and plant for example:

Cars, utility trucks, trailers, spray buggies, loader/forklifts, tipper trucks, tractors, compactor trucks, a variety of mowers, pumps, and aerators.

All repairs and maintenance of this plant is carried out by external providers with the exception of an in-house pump fitter, who operates generally as a first receiver to identify problems and carry out necessary unblocking and routine maintenance type work.

If you are not satisfied with my response, you are entitled to request a review by the Ombudsman. Further information can be obtained from the following website www.ombudsman.parliament.nz.

Please note that this response may be published on our website. All personal information will be removed.

Nāku noa, nā
